Good Morning Eric,

I can't tell you how delighted I am to receive the *Early Paper Money of America* book. It gets better with each edition, and looks great with all the attractive new color pictures and up-to-date pricing.

As pleased as I am with the book, I am much more thrilled by the lovely inscription in your note to me. I will treasure that always, the same way I treasure our continuing friendship. Thank you for your thoughtfulness in sending both the book and the note.
